House Committee on Appropriations  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the East Granville Street Widening in fiscal year 2024. The entity to receive this funding is the City of Sunbury located at 9 East Granville St., Sunbury, OH 43074. The funding would be used to widen and reconstruct approximately 1,500 feet of East Granville Street (SR 37) between Morning Street and Letts Avenue in the city of Sunbury. The project is an appropriate use of taxpayer funds because the existing two-lane roadway is deficient and creates a hazardous environment for both pedestrians and motorists.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
